

Dorovtsi Adam

Educational program: Computer Science BSc				
No.	Course / Subject	Year / Term	Form of Study	Class Type
1	Modern information technologies	I/1	Correspondence	Lecture + Practical
2	Modern information technologies	I/1	Full-time	Lecture + Practical
3	Database Management Systems (DBMS)	II/3	Full-time	Practical
4	Educational practice (Educational computing practice)	II/4	Correspondence	Lecture + Practical
5	Educational practice (Educational computing practice)	II/4	Full-time	Lecture + Practical
6	Fundamentals of computer graphics	III/5	Full-time	Lecture
7	Modern technologies for the development of educational information resources and systems	III/5	Correspondence	Lecture + Practical
8	Modern technologies for the development of educational information resources and systems	III/5	Full-time	Lecture
9	Mathematical software packages	IV/7	Correspondence	Lecture + Practical
10	Mathematical software packages	IV/7	Full-time	Lecture
11	Operating systems	IV/7	Correspondence	Lecture + Practical
12	Operating systems	IV/7	Full-time	Lecture + Practical
13	Computer networks	IV/7	Correspondence	Lecture + Practical
14	Computer networks	IV/7	Full-time	Lecture + Practical
