

Polinski Oleksandra

Educational program: Computer Science BSc				
No.	Course / Subject	Year / Term	Form of Study	Class Type
1	Algebra and geometry	I/1	Full-time	Practical
2	Informatics and basics of algorithmization	I/1	Full-time	Practical
3	Mathematical Analysis	I/1	Full-time	Practical
4	Algebra and geometry	I/2	Full-time	Practical
5	Informatics and basics of algorithmization	I/2	Full-time	Practical
6	Mathematical Analysis	I/2	Full-time	Practical
7	Theory of probability and mathematical statistics	II/4	Full-time	Practical
8	Differential Equations	III/6	Full-time	Practical
9	Numerical methods and optimisation methods	IV/8	Full-time	Practical
Educational program: Mathematics BSc				
1	Informatics	I/1	Correspondence	Lecture + Practical
2	Informatics	I/1	Full-time	Lecture + Practical
3	Linear Algebra	I/1	Full-time	Practical
4	Mathematical Analysis	I/1	Full-time	Practical
5	Linear Algebra	I/2	Full-time	Practical
6	Mathematical Analysis	I/2	Full-time	Practical
7	The basics of scientific research and academic integrity	II/3	Correspondence	Practical
8	The basics of scientific research and academic integrity	II/3	Full-time	Practical
9	Complex Analysis	III/5	Full-time	Practical
